All Saints and All Souls

The commemoration of All Saints' Day is an ancient Christian tradition, dating back to the 4th century when a feast honouring the martyrs of the faith was kept in the Eastern Church. Between the 7th and 9th centuries, a tradition of honouring the Blessed Virgin and all martyrs, eventually extending to all saints, was firmly established in the Western Church. By 800 AD All Saints' Day was kept in England on 1 November. The purpose of the feast day is to commemorate all the saints who have gone before us and entered in glory. Their lives were marked by a pattern of holiness, and they stand as an encouraging example to all of us still on our earthly pilgrimage. Whilst All Saints' Day commemorates those already gathered around the throne of glory, All Souls' Day, which falls on 2 November, commemorates the souls of the faithful departed, traditionally within the context of a requiem mass.

In memoriam

The flowers on the high altar and the light before the Blessed Sacrament are given to the glory of God and in loving memory of
 Martin Schlarb and Harley Graham,
 by the families who cherish their memory.
